

THE STORY: VIRGIN HOTELS

MIAMI, FL. — The Virgin Group has been smartly disrupting the travel industry for over 40 years, from land to air to sea. In 2010, Virgin Hotels was formed to join a stellar portfolio of hospitality companies led by founder Sir Richard Branson. It continues to offer the same excitement, heartfelt service and smart innovation that Virgin is known for across the board.

Virgin Hotels was founded to shake up the hotel industry standard by offering a much-needed bridge between the current landscape of lifestyle and legacy hotels. CEO Raul Leal noticed that guests were being short-changed at every turn, entertainment options were stale, customer service was lacking, and there hadn't been a significant innovative move in room design for years.

Since the brand's inception, eliminating fees and surcharges have been top priority, along with creating an experience that allows guests to feel that Virgin Hotels is their place in the city. A champion of the customer, the hotel brand offers free and fast WiFi (at unlimited bandwidth) and eliminated early check-in fees, late check-out fees, room service delivery charges, business center transactions, and other services that have caused frustration for travelers.

Each property intermixes a passion for food and beverage with music and culture, fusing with the local landscape and providing a vibrant and inclusive environment for travelers and locals alike.

The brand's first property, Virgin Hotels Chicago, opened in 2015 in the heart of Chicago's Loop district in the historic Old Dearborn Bank Building at 203 N. Wabash Ave. It was named the "#1 Hotel in United States" by Condé Nast Traveler's Readers' Choice Awards 2016 and "#1 Hotel in Chicago" by Condé Nast Traveler's Readers' Choice Awards in both 2016 and 2017. The 26-story Art Deco building, a Chicago landmark, offers 250 guest rooms, four on-property dining options, including the newly revamped Commons Club, a dynamic space that exists across all Virgin Hotels, where guests can dine, drink, work and mingle - the vibe of which is a modern social club, without the fees, where guests and locals alike are welcome.

In February 2019, Virgin Hotels introduces its second property, Virgin Hotels San Francisco to open in the brand's portfolio, with 192 [Chambers](#) and two Penthouse Suites. The hotel, located at 250 Fourth Street, is situated South of Market (SoMa) just steps from Yerba Buena Gardens and the Moscone Center; multiple dining and drinking outlets, including the brand's flagship

space, Commons Club and Funny Library Coffee Shop; numerous meeting spaces; and the city's newest rooftop bar, Everdene.

Across the brand, Virgin Hotels properties feature the signature two-room "**Chamber**" layout, complete with small touches that make traveling for business or leisure an easier experience. All guest Chambers are divided into two spaces by wooden sliding doors, complete with a peephole. The **Dressing Room** includes a full vanity, illuminated desk and mirror, an extra-large shower with a bench, and a closet for two. Past the privacy door, guests enter the **Lounge**, complete with a red SMEG® mini-fridge, High Definition TV, and the brand's patent pending, ergonomically designed Lounge Bed - the ideal space to work, sleep, and play.

Virgin Hotels features two key differentiators to make the lives of guests a little easier: **Lucy** is the brand's mobile app that allows guests to integrate their device into the hotel experience. Lucy gives users a seamless and customized stay by transforming their digital ecosystem into a personal hotel assistant by fulfilling requests for services and amenities, functioning as the room thermostat, streaming personal content and more; **The Know** is a personalized guest preferences and loyalty program in which guests can not only personalize their stay, but also receive perks. When becoming a member, guests will immediately receive members discount on published rates when they sign in and book their reservation on the website, room upgrades, exclusive dining and special event offers in the Commons Club and a nightly complimentary happy hour aptly dubbed the *Spirit Hour*.

In terms of new development, Virgin Hotels Dallas and Virgin Hotels Nashville will follow later this year. The brand has broken ground on two locations: New York which is scheduled to open in 2020 and Edinburgh, UK in 2021. The transformation of the Hard Rock Hotel Las Vegas to the Virgin Hotels Las Vegas is also set to happen in 2020. Forthcoming hotels have also been announced in Palm Springs, New Orleans, Silicon Valley and Washington DC Union Market.
